- Invitation -

International ASME Seminar in Zagreb

Dear Ladies and Gentlemen,

We would like to inform You that TÜV SÜD wishes to offer a professional training of a highest level, this time in Croatia, based upon numerous inquiries about ASME Code that came from engineers and companies from Croatia, Slovenia and other countries, and after many successfully organized ASME Seminars in Germany. It is our special pleasure to invite You, to:

a two-day intensive ASME Seminar, in Zagreb, on 6th and 7th of September, 2011.

The lectures shall be held by **Dr.sc. Robert Kauer, Grad. Mech. Eng.**, ASME instructor from TÜV SÜD Industrie Service from Munich, Germany. Subjects that will be processed and comprehended by this Seminar are requirements of ASME Codes in the design, materials, construction, inspection, testing and documentation for pressure equipment.

Objective and aim of the Seminar :

- Application of the ASME-Code requirements in the design and production
- Making calculations according to the ASME-Code including the analyses of more complex and complicated examples
- Preparing the documentation of the product, specification for design, Manufacturer Data Report etc.

Who is the Seminar designated for:

For all the persons who are responsible and in charge in the Departments of purchase / supply, design, production and control of the pressure equipment.

Term / date of the Seminar: 06. i 07.09. 2011 (6th and 7th of September, 2011)

Place / Location where the Seminar shall be held: Hotel HOLIDAY, Zagreb, Ljubljanska avenija bb; www.hotel-holiday.hr. For room reservations / hotel stay you could refer to hotel Holiday (special TÜV SÜD Sava rate for ASME Seminar).

Duration of the Seminar: from 9 A.M. to 4 P.M. , each day

Working material:

Base and groundwork of the Seminar are prepared in English. Each participant will receive their own copy of the script containing the written material.

Price of the Seminar: 330,00 EUR + VAT.

For every following participant from the same company, we are granting a 15% of a discount.

The price includes:

- Scripts with the written material for the lecture
- Lunch, on both days of the Seminar
- Refreshments in coffee-breaks of the lectures
- Issue of the Seminar Certificate Attendance
